Reggio Emilia Approach

The Reggio Emilia Approach® is an educational philosophy based on the image of a child with strong potentialities for development and a subject with rights, who learns through the hundred languages belonging to all human beings, and grows in relations with others.

Social Emotional Learning

SEL -What

- **SEL:** process through which all young people and adults acquire and apply the knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals

All grouped under the umbrella of skills that support academic and social emotional success.
