Accept & Login

The login screen for Concordia Connect features the school's logo at the top left. Below it, the title "Concordia Connect" is displayed. A message states: "We need you to provide your WeChat phone number to login to the system." A "Tips" box explains that the mini-program is for parents of Concordia International School Shanghai (CISS) and provides instructions on when to use it. A large blue "Login" button is prominent. Below the button, there is a checkbox for "Read and agree to the User Agreement and Privacy Statement" and a "Continue Browsing" button at the bottom.

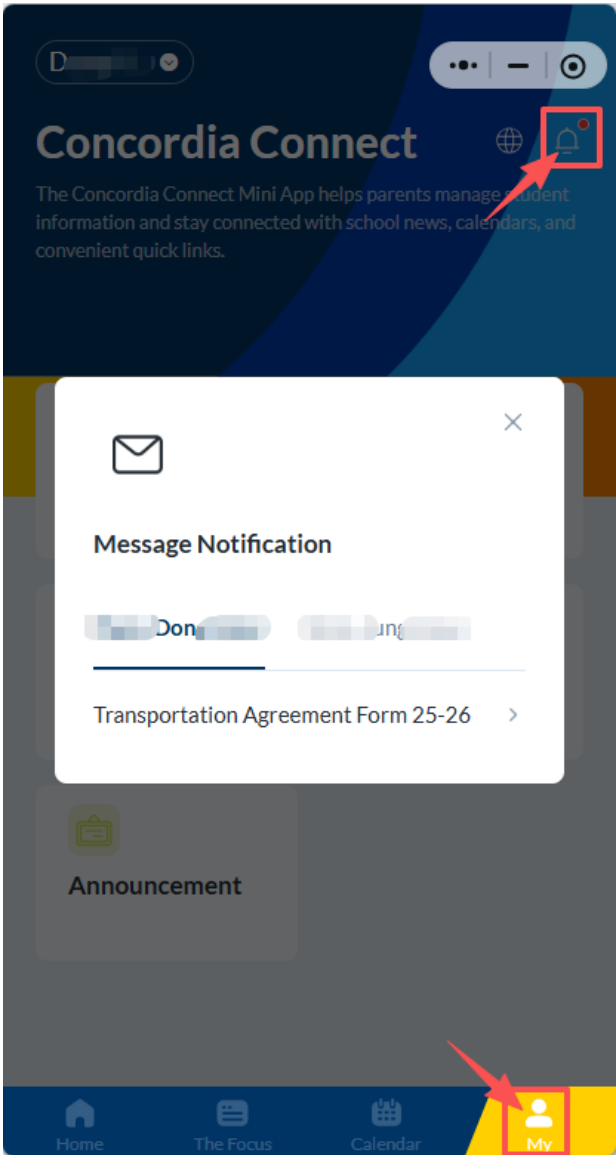

This screen, titled "Concordia Connect", prompts the user to "申请获取并验证你的手机号" (Apply to obtain and verify your mobile number) and "校验你是否为本学校家长" (Verify if you are a parent of this school). It presents two options: "132****1307" (labeled "上次提供" - Last provided) and "180****6870". A third option, "不允许" (Not allowed), is also shown. At the bottom, a button labeled "管理号码" (Manage number) is highlighted with a red box.
